Ohop Mutual will review your rebate application and determine if the installed products qualify for the rebate. By signing below you acknowledge that: the smart Thermostat purchased is ENERGY STAR® qualified and is installed at a residence in Ohop Mutual Light Company service area. Ohop Mutual may inspect these products upon request. Ohop Mutual has made no implied warranties or representations with regard to these products or energy savings from these installations. This offer ends when funds are exhausted.

Your sales receipt MUST include the following imprinted information:

- Name of store
- Date of Purchase
- Manufacturer, model and price
- Purchaser's name

All information must be complete and an itemized receipt enclosed to be considered for payment.

One smart thermostat per qualifying heating system with a limit of two per household.
